

# KEVIN HINES STORY: SUICIDE AWARENESS AND PREVENTION

**Kevin Hines, Brain Health Advocate & Storyteller**

Kevin shares his story of hope and celebration of life. Kevin Hines is a mental health advocate, global speaker, best-selling author, documentary filmmaker and entrepreneur who reaches audiences all over the world with his story of an unlikely survival and his strong will to live. Two years after he was diagnosed with bipolar disorder (at 19 years of age), he attempted to take his own life by jumping from the Golden Gate Bridge. He is one of only thirty-four (less than 1%) to survive the fall and he is the only Golden Gate Bridge jump survivor who is actively spreading the message of living mentally healthy around the globe.
