

# MENTAL HEALTH FIRST AID

## Why Mental Health First Aid?

Mental Health First Aid teaches you **how to identify, understand and respond to signs of mental illnesses and substance use disorders**. This training gives you the skills you need to reach out and provide initial support to someone who may be developing a mental health or substance use problem and help connect them to the appropriate care. Youth MHFA is also available for adults working with youth (age 12-18).

### The course will teach you how to apply the ALGEE action plan

- Approach, assess for risk of suicide or harm and assist
- Listen nonjudgmentally
- Give reassurance and information
- Encourage appropriate professional help
- Encourage self-help and other support strategies
